1. You possessed Me at the beginning or I possessed you; which was it, or was it one and the same? Were we apart or were we one? I love you. I always have. I always will. My heart is for you and yours Me. I conceived you/brought you forth, and yea, is there any other? No. You are not apart from Me, you weren't; and who are you now but My flesh in the reality of the real, thinking you're flesh of dust-man and the dust-man's flesh is Mine and yea, know, yours Mine. I love you. Yea, My heart is My flesh given, yea, and beats the same with Me. I love you. Into My palaces see in regard for the beholden of Me. I love you.
2. Is anything too difficult for Me?

Is there anything that I have withheld from you?

I gave you My all. I have not changed. I love you.

3. **Thou art coming into a new place in Me.** Forsaken you, I have not. Forsaken Me, you have not. Yea, we are one. Flesh of My flesh now, you look like/are in the real/unseen, two dimension'd; Mine'd, but yea, real and everlasting to the unseen/real which will be seen so very soon by the few not.
4. I give you Me as you lift My body bringing them, **teaching them to drink all of Me, to drink My cup, drinking the river of Me, the river of life, the river of My wholeness, fullness and not refraining**.
5. Yea emaciated-not ones come now that yea know how to eat, drink, and yea eat and drink of Me and only Me and come now seeing meat of My kingdom, yea My cup being served; and enter Me, yea they do at your hand/My hand and lead many in the leadership of the kingdom of one. You now seeing much/many and relaying all, documenting everything.
6. Thou art holy/I am holy, My/your words, yea the work of our hands, wholly unto the Lord and is there anything, not? Yea, not, except the unsurrendered. I love you.
7. Your tapes, books, mp3's, dvd's, now go the world over carrying the message of the **revolution/ revelation of One, revelation that brings revolution** to one's soul/being and cataclysmic is in every manner on every level; and changes how men of My children eat, think, where they live, how they operate, and change from whirlwind of activity to a seeking state of rest; a state of operating in My word; My word decreeing, coming forth in love, joy, and laughter; creating, creating, destroying, creating.
8. I have given all of My words stance. Think it not strange that some I have given much to, will think you daft, irreverent and impenetrable by My grace. But yea, those who cannot accept Me and you, worry not with; forge ahead in My love, knowing Me, questing into Me into the realm no one has feared/dared go, yea leading all into all in all,

and there is no recovery/turning back, once and for all, all in all'd, all in all is our one and one is. And light has no shadow for there is no darkness, only light, and the Son is the light, the Father is the light, I am the light, for yea, you/Me/Father/Son one are and all is who will be.

9. Think it not strange the coming concern/concerns for others. Thou are walking in My steps and I am your pattern and I behold you and I behold every concern.

10. **I link you now with people of patterns many and leaders afore and sit ye down in My kingdom with many and mentored be, yea taking notes, documenting all, being meat in My kingdom for many in generations everlasting**.

11. I possessed you in the beginning, or was it you, Me? Or was it/is it indefinable?

12. Thou art holy for I am holy. Where is your holiness oh man of the morning with the dew of your youth, the woman, the morning star, the bride of ten thousand with no limit, without measure?

13. Who are My definitions and why cataclysmic?

14. All will be known so soon, wonderment behold.

15. I love you. I give you Me.

16. There is no beholdment of Me without Me. See what I have said.
